HAND OVER

Topic : HAND OVER

Text: 1 Corinthians 5: 5

To deliver such as one unto Satan for the destruction of the flesh that the spirit may be saved in the day of the Lord Jesus. AMPLIFIER BIBLE You are to deliver this man over to Satan for physical discipline (to destroy carnal lust which prompted him to incest) that his spirit may be saved in the day of the Lord Jesus. Deliver is the transfer of a object from one place to another , detachment from one realm to another difference realm.

The deliver is for a short period and not long time which depend on how individual repent of the evil, it's for Genuine believers and for not for unbelievers whom is already in the captivity of Satan, since they are part of people who fill up the church, they should be deliver to the hand of Satan in order to clean up the church, on the last day the sheep will be separated from the Goat.....

If the unbeliever died while observing hand over (suspension, back seat) he will not make heaven because he fail to accept Jesus Christ, it was never the will of God for him to died without Christ, it is necessary because we can not tell whom will make heaven among unbelievers while those in Christ are in heaven already.

Adam was deliver to Satan Gen 3 : 23 -24 because committed treason in the Garden, God promise to restore Adam to the Eden Garden of God Gen 3 : 15 this is the day Jesus saved Adam on his day, it was fulfil on the cross John 19 : 30, col 2 : 15, Adam was not curse but the land become curse because of Adam, God can not afford to curse a man who he form in his image and likeness, on the cross he bruise the head of Satan, it is an open disgrace to Satan and his host, at the end of victory Jesus said it is finished. When Adam had be discipline and there is a destruction of his flesh who had cause to commit treason, He repent of his treason outside the Garden of God called Eden after remember his good time and presence of God which he usually enjoy with his wife eve.

Gen 15: 13, Act 7 :6 the Lord God told Abrams his seed shall be a stranger in a land and they shall be afflicted them four hundreds years. Believers can Willy sojourn into the camp of the enemy in the name of open door, Joseph said I can not do this wicked act against my God, they deliver themselves into it, and be afflicted. This is the point they will be blaming family background and family curse, accursing innocent old uncle and aunt in the village include neighbour is the cause of his challenge, in the act of blaming someone else they stay over four hundreds and thirty years in Egypt until they stop the blame game, Cry unto their Lord God to deliver them from Egypt, exodus 3 vs 7 -10, there are case in a man life is not family curse or generations curse but it is something the man Willy walk into it and he is received discipline and destruction of the flesh, whatever you sow that you should reap. Knowing the root of a problem is important and not praying amiss, my people perish because of lack of knowledge of Christ, which have cause the covenant of Christ to have no effect. GAL 3 VS 17, Hoses 4 vs 6.

Jer29:10 Dan 9:2 Rev 2:5 the Lord God told his son Jeremiah Israeli will serve Babylon for seventy years, God deliver Israeli to Babylon to be disciplined for their wrong did, Daniel read from the book of Jeremiah remind his people's it's time to go back, in the new covenant JESUS said he will removed

the candle from the stand, the candle light is the words of God and the Holy spirit, the person is a dead among the living , prophet Ezekiel called it dry bone.

Hand over is a discipline approach which everyone called by God and carry his image and likeness of Christ in them should accept in a good Faith if faulted, for a purpose of discipline man flesh not to make Satan take advantage over the soul and make the person denied the flesh. If the discipline will cause the persons to denied Christ the purpose is defeated. Flesh are those things which stop the flow of God his will and good pleasure in a man life Philip 2:13,

In the book of Gal 5: 19-20, Rom 1 : 28-31 proverb 6: 16-20 explains the manifestation of flesh in a man life, Denominations which practice hand over to Satan only focus on fornication, adultery, fighting among them, members try to avoid these important one to avoid disgrace and shame, they are free to practice other freshly act, it is not the sign of maturity from such believers, do not rejoice yet God can hand over any believer to Satan with out use the church authority. When a person is hand over to Satan he is not curse or condemned rather disciplining process to destroy his flesh and be saved on the day of the Lord Jesus. Assume the person died he will make heaven he will experience eternal regret because a hired servant with out a star or crown John 10 vs 28-29 Jesus said No can can pluck them out of the father hand Rom 8 : 35 nakedness is type is discipline that can not separate you from heaven, Satan plan for us is to miss heaven God Almighty in his wisdom have done great mighty works which devil and his hosts can not understand, nobody who have drink from the wall of salvation can be take away from the father hand except those who don't know their right and authority in Christ which the enemy have put a veil on their heart and eyes not to see and understand, yet there is room for them to make it.

The Lord God do not like to waste resources and materials, it take treasures in everything created, form and made by him especially man because man is a heirs of salvation Heb 1:14 JESUS demonstrated un wasteful altitude John 6:12, the body of Christ called denomination should have same mind like Christ Philip 2:5, for a believer to be under the custody of Satan either done by church authority or God himself, it is not the end of life, he need prayer and words of encouragement fill with love of Christ, do not rejoice or keep silence because you are not safe the next target is unknown Gal 6 : 1 First cor 10 : 12 making the brother a laughing storm is a sign of immaturity which need urgent address by church authority before hand over will lost his value from the side of the body of Christ.

Once a person is hand over to Satan everybody is indirectly or directly included this statement will be too hard to agree or believe 1 king 17 : 1 -15 the action of Elijah is a good example He did hand over the land and the people to Satan for three and half years, Prophet Elijah feel the heat of his action. Hand over is a time of sober reflection of cry and weeping among believer and body of Christ unto the Lord God, blame game would not save any soul.

No man can determine whom make heaven at last because everyone is on the race of making heaven, the person be hand over to Satan can made heaven with out anybody notice before departure from earth. Step into the throne of Grace and obtain mercy with out the church authority notice while other brethren are busy working for Satan to become accuser of a brother. All charge had be discharged by his high priest and advocate Heb 4: 16, Heb 2:17, Heb 8:1-3, Heb 10: 21, 1John 2:1, 1John 3:9, I John 5:4 and 18 ,1John 3 : 19-21. When such a person have a clear insight and revelations of those scripture after he will found himself in hell .it is a waste of materials, resources and time. All the works of Jesus is a vain thing.

Assume the person still misbehaviour after release from Satan from the church authority, he is under evil influence serious prayer and fellow up is need to restore such person in the right path, this is one area were brethren have fail to do for each other, we are soldiers of the cross, no well oriented soldier will abandon his fellow soldier in the war front in the case of injury or death. Peter is not qualified to be a leader in the body of Christ because he denied Jesus Christ three time from our present world, he should be hand over to Satan forever because he is a sinner and would not make heaven but Christ in his mercy pray for him and restore him back to be a pillar in the house of God John 16 : 9, Jer2: 13. There are people's who come to church With fear and threat from the pastor and church authority. The house of God Is a place of liberty, such people's are move by all wind of doctrine Eph 4 : 14 they are clueless, no direction they limit the progress and prosperity of the body of Christ, shifting the main focus of our holy calling to reconcile men unto God Almighty 2 cor 5 :10

There are authority who see hand over to Satan as an opportunity to remove their enemy a believer they easily forget the only enemy Christian had is Satan. Frustration is other area authority use to do hand over. It should be done with the led of the Holy spirit fill with love and mercy, the person In question should have a clear understand accept it with cheerfulness of heart know the Lord God love him. The authority is not doing the work of Holy spirit of teaching and blending a brother to become mature Christian. Man have limitations while the Holy spirit have a greater works to do than men. Hand over is an instrument for discipline sons of God, it should be done in carefully and not out of proportion else it will attract judgement afterward.

In the first civilization Gen 1: 2 Satan destroy the earth and the being whom exist thereof Isaiah 14: 12 explains Satan weakens and destroy the nations in John 10: 10 clearly explain he is to steal, kill and destory. The destruction is carry out by the permission of God Almighty In the book of Job chapter 1 , 11 chronicle 22 : 18 . God use Satan to chastened and scourge his sons in Heb 12 : 6 He did same to children's of Israel Judge chapter 2, Jer 29: 1-4, Jer30: 19-22 , Jer 52 : 1-23. It is not the end of God children's, for example dirty money and clear money have same value in the market, the dirty money have pass through many hand of business transaction, the clean money have not pass through business transactions, those children's who is be hand over to Satan still have same value like those is not yet hand over to Satan. For a teacher to flog a child do not mean the teacher is the parent of the child again no matter how a teacher correct and discipline a child, the child don't belong to him, the parent still will claim ownership

It is important man should guide the heart with all diligence proverb 4 : 23 to avoid close heaven, God will take away his consciousness, give up the person Rev 2 : 5, until he remembered his father home as a prodigal son and made a strong decision to go back than to be a servant to other master. He know there is no condemnation for those whom is in Christ Rom 8 : 1 and be operating under close heaven. A denomination can operate under hand over to Satan, the Holy spirit can be presence but not active because the candle light have be take away from the denomination by Jesus Christ. Exodus 9 : 14, exodus 11: 1 , exodus 12:13 explained the plague which occur in Egypt was carry out by Satan, he is a jail master, a tool in the hand of God to carry out destruction and discipline on earth. The flesh called pharaohwhom do not know Joseph called Jesus Christ, pharaoh was disciplined and the first sons were destory before he allow children's of Israel to go and worship their Lord God. The destruction come with discipline in form of guilty, shame, disgrace, and rejection it will manifest in sickness, disease, slow and collapse of business, quarrels and misunderstand in marriage and relationship,etc

After the flesh had be destory which have stop the flow of Holy spirit both to will and good pleasure then the new creation spirit will Cry shout for help and deliverance from the Lord God.

There are denomination whom do not discipline their members include the leadership if found fault in manifesting fruit of the flesh, it is a dangerous environment for the God presence to continue dwelling and manifesting , the church will experience close heaven in growth in membership, financial growths, spiritual growth. Joshua 7:19-20 Achan sin cause Israel to lost a war with a small country call Ai. Achan said indeed I have sinned against the Lord God of Israel, pastor Joshua observes close heaven in every activities of the church not known Brother Achan have sinned against God. A pastor can have a bundle of member fill with darkness or sinners, they are far away from the Lord God Isaiah 29 13. The church will only come back into Grace and Glory when the pastor have high spiritual sensitivity to know what had gone wrong with the sheep's under him.

Do not take any form of discipline to extreme, God remain the best judge and know the best way to handle any individual whom is called by his name and bear the mark of Christ, they are used to give out wisdom Proverb 29:15, so the soul be will be delivered from hell 1 cor 5 :5 proverb 23: 13-14, it is a training background for the kingdom and drive foolishness which is bound in the heart of God children proverb 22: 6 -15 it is a sign of love for his own children's and sons Heb 12: 6, proverbs 13: 24

Peter method of discipline to Ananias and sapphire is too harsh, not Grace oriented is not the best but it is one of the method of discipline Act 5 : 1-11. The method when uphold to extreme will not attract sinner to the body of Christ, the purpose of the death and resurrection of Jesus Christ will be in vain, sinner will be scare and will not the great opportunities in Grace which have appear unto all men Titus 2 : 11. The method is kind of total separation from the body of Christ, Ananias and sapphira never come to live, a believer become death and never come back and to be part of God plan for us, religious brother will rejoice over the death of a brother in the church, John 10: 10 Jesus gave abundant Life(eternal life) nothing can swallow eternal life a believer have received verse 28-29. I think and believe Pastor Peter forget what Jesus told them in Luke 9 : 54-56 ye know not the manners of spirit ye are of, for the son of man is not come to destory men lives but to save them. Remember the Holy spirit told him to eat forbidden food he disobey and called the animals are unclean thing, who are you to call what I created unclean in other word who are you to called the man i created in my image and likeness is unclean mean God is unclean, you should be careful the way you treat a fellow a believer and man on earth, It show the level of foolishness in his heart, people died because of out dated information they have, there is no room for growth and replacement if even God by himself come down minister to them, they will refuse the message called all kind of names to justify their unbelieve.

Peter started hand over persons to Satan with the law of Moses mind-sets, under the law children of Israel live in a perpetual fear day and night without know the ways of the Lord God created room for fear only Moses to know the ways of the Lord God psalm 103:7.it is a pitiful observations to the people of the old while the man whom brought the law did not live under fear like the people he is try to help to enter the promise land. There are members of various denominations who are worshipping God with fear, while Moses and pastor's who bring the law don't have fear because they are not give the spirit of fear but of power, sound mind and love. Who know many person died under Peter ministry before he repented of it. Pastor create fear in the mind of member in the name I want to help you make heaven, any member who can not make heaven while he is alive can not make heaven again. If any man be in Christ he is new creature old things have pass away , only new creature will make heaven and not old creature, you don't help new creature to make heaven they are in heaven already. Doing the works of Holy spirit with out the permission of the Holy spirit is a crime,God will work in a new creature both to will and good

pleasure with out murmuring and disputing. Members fill with fear like murmuring and disputing while new creature don't like murmuring and disputing in the works of The Lord God.

Member fill with fear always pretends while they are death inside spiritually and alive physically Isaiah 29:13. One funny thing they will be liberated one day and found somewhere no fear is be generated then the pastor and senior pretenders will label the believer backslider while he or she was with them, they do not know the believer is not in a good relationship with the Lord, the pastor was the Lord and senior brethren(pretender) was the saviour over his life. God Almighty do not want to share his Glory with anybody. The pastor should have pray like Joshua did to know if there's anything wrong in the spirit realm in the brother life the Lord God reveal Achan to be the reason Israel do not win the war before give a fellow him a trademark of any kind.

When the power of The Lord God come down on the Gentile called Cornelius then said Peter God is no respect of no man Act 10 : 1-35. The fear which come upon the church was not of The Lord God but of Satan because we are not give the spirit of fear but of power and of love and a sound mind 2 Tim 1: 7. In the book of Job 3 : 35 for the things I greatly feared is come upon me, fear is the licensed for the enemy to attack and prevail on any believer and the church. The member of the church will be thinking, this is how Moses did In the wilderness with the children's of Israel whom left Egypt to the promised land, who will be the next victim meanwhile Ananais mean Grace and Job have hedge surround him like mountains surround Jerusalem. Something went wrong it must come from the head, the head pastor or leader minister fear allow Satan to come for August meeting. Hand over to Satan should be done with love and not with fear. Gen 15: 1 the Lord God told Abram fear not I am thy shield, brethren shall be your shield but they are not, God know fear is the weapon and path road for the enemy to arrival. Fear cause Adam to lost Eden even before the Lord God pass judgement, Adam had already condemned himself, when the voice of the Lord come down for fellowship Adam ran from him Gen 3: 8 , Gen 43: 23, Many had ran away from church after hand over to Satan, totally condemned and rejected, the person supposed to be a more better believer than before, and Israel worship the Lord God with all their heart the moment they return from exiles, in this days it is not so.

In chapter 8 peter repented and know the manner of spirit he carry is to save men from the kingdom of darkness to kingdom of light 1 peter 2 :9, Peter met a man called Simon the sorcery who is not worthy to live in chapter five. Simon want to buy the power of God from Peter, then reply thy money perished with thee, thy heart is not right in the sight of God, repent therefore of this thy wickedness and pray God, if perhaps the thought of thine heart maybe forgiven thee. For I perceive that thou art in the gall of bitterness and in the bond of iniquity . This can not be a statement of somebody who sent a family to hell, if it was in chapter five Simon will be a death man, “ maybe the man bear same name with him “Simon peter” He preach from 2 chronicles 14 : 7 and 1 John 1: 9 Peter pray was Simon soul will be save from hell, he was working on his core mandate 2 cor 5: 18-20

Under Paul ministry there is a total difference approach, the instruction was through Holy spirit and not death penalty, he keep remember them of their new identity, The price of Christ paid for them, they are redeem people which heaven can not afford to allow to remain in bondage and captivity. His discipline measure is for a very short season Act 13 : 11 thou shalt be blind for a season, had understand of spiritual law. When a person stay too long in a foreign land at a Point he will become a citizen and it is not a will of God for any soul to become a citizen of the dark kingdom for any reason, please do not be an instrument and system In the hand of Satan to be use to make a brother to be a candidate or citizen to dark kingdom and that a brother will behaviour like Christ by all mean within the power that work In you and stop to be disgrace to the Christian family. Since people refuse to learn In a soft way they have to learn In a hard way by hand over to Satan which

make them learn. Once a time Chinese government of sent her citizens across the world to learn technology and science and other skills which will help their economy to growth maybe they have try local instructors it did not work the best option is to sent the citizens across while the rest remain at home. Those abroad and at home they are all citizens of China what separate them is life experience outside the country. Later those abroad came back home join force with those citizens at home to build the second largest economy of the world. Glory!!!!!! But in God kingdom we are building and training world class economy of a new Jerusalem pre-existing before the main new Jerusalem will come in the second coming of Christ.

1 Tim 1 : 20 Paul hand over Hymenaeus and Alexander for them to learn not to blasphe. It is a period to learn and do corrections in a man life. 2 Tim 4:10 Demas depart from Christ and love the world, the love of the father was not In Demas 1 John 2: 15 Paul did not bother to do hand over Demas to Satan he supposedly walk into the world just like the children of Israel did by walking down to Egypt later become slaves, Paul only announces Demas departure from Christ such person God Almighty do handle them and not the church authority they (the body of Christ) owe him prayer to save his soul from the world. The prayer of believers is capability to saved such a soul from the world, Christ would not come back for paid the price of sin for him, but mercy will bring Demas into the throne of Grace. There are Demas which the church had fail to pray for because of one reason or the other, it is not justify in the sight of God, Yes somebody will bring in the case of prophet Samuel and king Saul , the Lord God told prophet Samuel to stop praying for king Saul, they were operating under the old covenant the spirits of the Lord God do not dwell inside of them and their body is not the temple of Lord God. No matter how Israel sin against, the spirit and presence of the Lord God do not depart from the temple, the alter and the temple is still active sin can not stop God presence and spirit thereof. Under the new covenant the spirit of the Lord God dwell inside a new creature believer and the body of a believer is the temple of The Lord God, the prayer of saints will restore such a Person. United states and Israel governments value the life of her citizen they don't mind to clear up a nation because of one citizen who is under captivity and maybe killed. Believer should learn to value the life of fellow brother in Christ and not in denomination.

The act of redemption is expensive man can not paid for it, join all generation past and present they can not paid the price of redemption for mankind, any soul undergo discipline in the camp of Satan will be saved in the day of the Lord God, it will sound confused and unbelievable no man can determine who make heaven. The man is either condemned or curse whether properly done or not by the church authority, the spirit will be saved in the day of the Lord, the Owner will come one day and take his property. A wealth man have a car worth 5.5 million dollar, one day the car was involved in an accident with a tricycle rider whom is a poor man, there are wealth men who do not quarrel with poor men on the street. The man took his car to the mechanic for repair and maintenance (discipline, corrections, destruction of the worn out part and damage part) the mechanic is not the car owner no matter how long the car stay in the workshop, the car owner can not afford to loose his expensive to a poor mechanic, one day the car Owner will come and pick the car that is called To saved in the day of the Lord. When the car over stay in the workshop the car would not remain same again the car owner would not recognized the car, the mechanic is Satan, the Lord God created everything for a purpose, The earth is the Lord and fullness thereof psalms 24: 1.

Hand over to Satan should be done through the leadership of the Holy spirit, there are case The Lord God will handle, there are case The church Authorities should handle. The Lord God handle king David mess and not hand over to his enemy, king David said let us fall into your hand of the Lord for his mercies are great and endure forever and let us not fall into the hand of man(church board,

pastor,) 1 Sam 24 : 1-25, 1 chronicle 21:1 , Luke 22: 31. Discipline is for children's and sons of the Lord Gods, any child left to himself to growth will bring shame to the mother proverb 29 : 15. It is not a curse or wickedness but rather to bring the best out of you,Balance Is the key to life.
